

Hi folks,

I hope no one is going stir-crazy (yet). We're all hunkered down, waiting for a time when we can get back to the dance floor. We'll reassess the situation in early April, but right now clubs (hopefully all) have suspended activities. Please check our [front page](#) for updated info.

Some clubs have active phone trees, and have been staying in touch with members. We think this is a good idea, and recommend clubs reach out to individual members by phone, perhaps weekly. Some dancers we see actively posting on social media. But it's the ones who don't use email, or go quiet that we are interested in. This contact would serve the following purposes:

- the personal contact alone would be beneficial in times of widespread social anxiety
- make sure the members are up-to-date with info, and when announcements are forth-coming (mention the [T&D website](#))
- identify instances of where the member may be in distress, particularly around food supply.

Having said that, social visits and gatherings are discouraged, at least until the end of the Ontario civil emergency.

In unrelated, and up-beat news, our [Clubs](#) page now has a new entry for the Friday Afternoon Rounds in St. Catherine's, hosted by Mary Hinkle, Bob Beck and Elaine Nicholls. Cool. Of course, dancing is suspended there as well.

Stay well, everyone, we hope to see you on the dance floor soon.

By the way, the T&D direct contact list is very short, so we rely on our member clubs to keep their dancers informed. Contact me at 416-783-6971 if you wish to chat. And please keep us informed of what's going on in your club.
